

environmental, health & safety policy

we are committed to:

- The Health & Safety, Process Safety and Security of all our employees that impact the operations within the communities by which we occupy
- Protecting and improving the natural resources our operations impact as well complying with all legal and regulatory requirements for each **aurorium** location
- Improving and maintaining open communication with our stakeholders

It is the responsibility of every employee to continually improve the overall Health & Safety, Security and Environmental Performance by using the **aurorium** Responsible Care Management System (RCMS)
